

JOHN STORTZ & SON, INC.

Manufacturers of

Cement Tools, Hardware, Specialties, Etc.

210-212 VINE STREET

PHILADELPHIA, PA.,

May 26, 1927.

Mr. Frederick Windmiller,
Station G, Rt. 3,
Columbus, Ohio.

Dear Sir:

We are sending you under cover a copy of one of our old catalogues as we are out of the new ones temporarily. If you will send us a list of the tools you desire we will mail you our present lowest prices, as those in the catalogue are quite a few years old.

The tools are all of A-1 High Grade Carbon Steel carefully made and tempered and warranted.

Trusting that we may hear further from you by return mail, we are

Yours very truly,

AWH-S
